

Exterior View of Addition

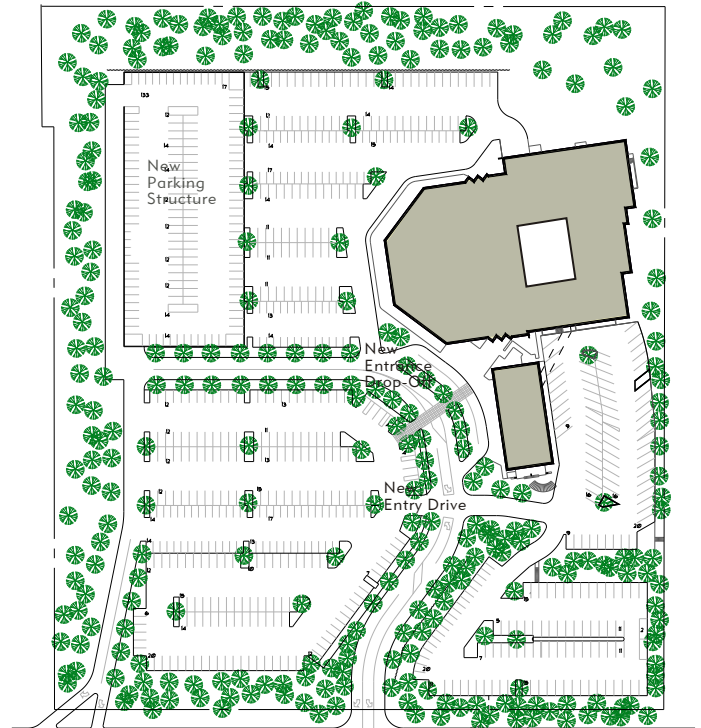

Interior View of Sanctuary

Main Floor Plan

The project includes a 1,500 seat sanctuary, an administrative suite, music room and narthex. A new multi-purpose gym/ fellowship hall with kitchen and restrooms are also included on the main level. Below the gym and over the offices and music are new classrooms. The addition totals 65,000 square feet of building area. We continue to develop studies for future development for this repeat client.

Master Site Plan
